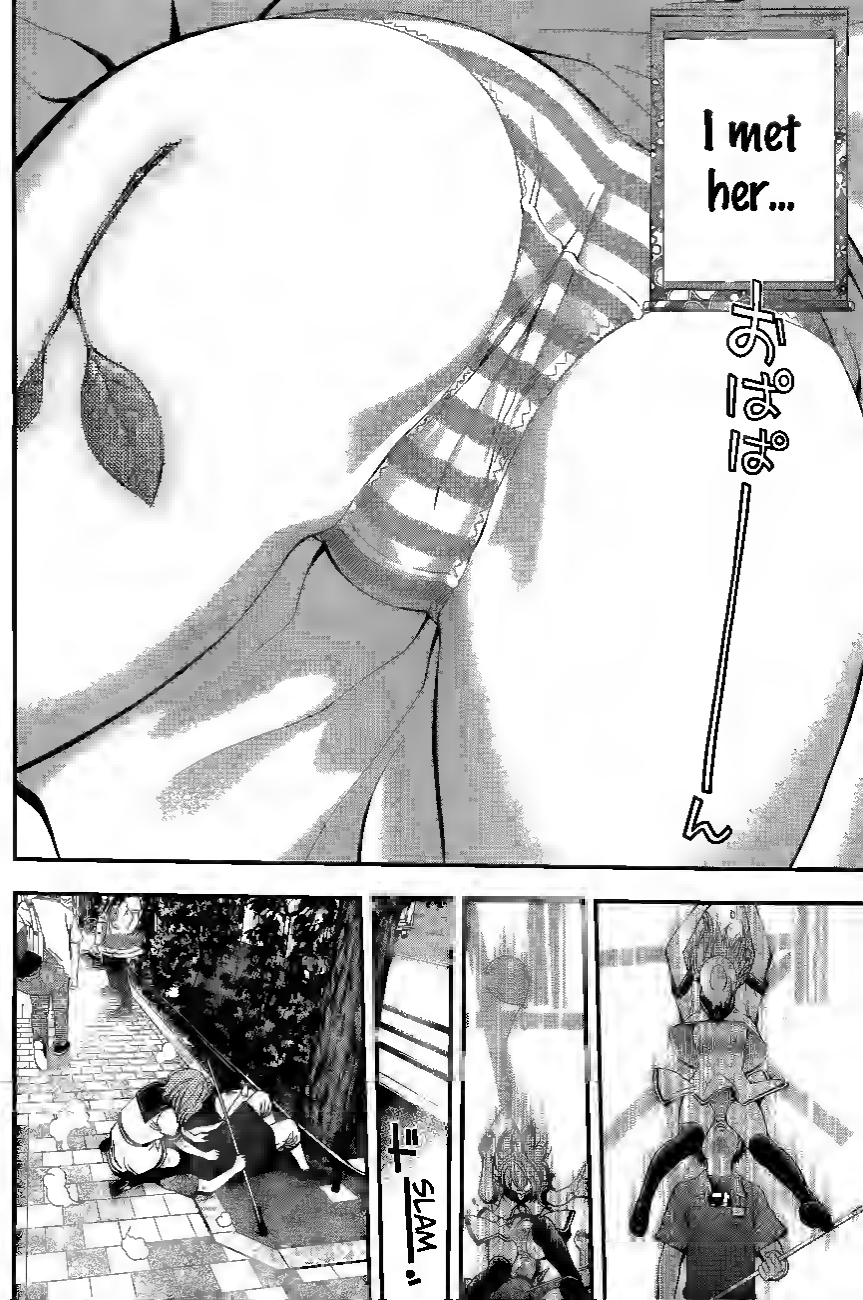
I'm a hapless "freeter", working at a certain gadget shop in Akihabara.
WELCOME!
HA HA...
My name is Yatsuki Nishizuru, 20 years old. True to my girlfriend-less history, I am of course a virgin.

There are regular spirits as well as good spirits who serve humans... and then there are evil spirits.
By the way, there is another way to pick out the evil spirits.
Actually, this is known as the "Electric City", and true to its name, there are definitely a lot of spirits.
Where there are a lot of electromagnetic waves, spirits gather...
20XX 8 24 ON SALE
It's an oft-told story.
They might smell like a sewer, or food waste... Whatever the case, smell indicates an evil spirit.
And that is by smell...!
When it comes to youkai, however, I honestly thought they didn't exist at all...
Regardless, I've been familiar with spirits since I was very young...
AAAH!
MWAAAH!
But then...



I met her...

YOU CAME, YOUNG MAN!
This is Nagi Chitoseya, a cosplaying fortune teller in Akiba.
Oi.
Oh and ignore the fact that I make no special mention of the chair here.
And she's the older sister of Momo Chitoseya, known to me as Moru-chan.
WHAT, YOU HAVEN'T HEARD ABOUT IT?
IT'S BEEN HAPPENING OFTEN LATELY HERE IN AKIHABARA...
THE CASE OF SERIAL UNDRESSINGS.
THE REASON I HAD YOU COME TODAY IS NONE OTHER THAN...
A CASE OF SERIAL UNDRESSINGS?

SO FAR, IT APPEARS TO BE THAT NORMAL HUMANS ARE SUDDENLY POSSESSED.
IT'S A STRANGE CASE WHERE THEY WIND UP STRIPPING DOWN AND TOSSING ASIDE THEIR OWN CLOTHES!
OH NOOO!
